In your Kundali, Moon is in the 1st house. Till the time your mother is alive, you will never need to worry about money. You will live a long life and will never face any kind of problems or difficulties in your business or service.

If you get married by your own will with someone within your relation in your 28th year or before that, then this will not have a favorable effect on your child. If you do have any children before the age of 28 or if you get a house constructed with your own money, then your health might get affected as well.

If you get married during the 24th year then this will neutralize the favorable effects of Moon. According to Lal Kitab, to nullify this you should drink milk out of a silver glass. You will also have to be aware of the fact that this silver glass should not have a neck or a tap kind of structure or else your mother's health might get affected.

If you are going on a trip or journey for more than 100 days then you should throw silver coin in the sea.

In your Kundali, Moon is situated in the 1st house. You should not do business in articles related to the moon like silver utensils or milk. Recommendation for Suitable Rudraksha

As you had been born in Navami Tithi, 9-faced Rudraksha is being recommended for you.

The presiding deity of this Rudraksha is Shakti. It is worn during Nava-ratra (during Dusshera or Durga Puja). To the wearer, it confers energy and power - which leads to wealth, and success in all endeavors.

While wearing the Rudraksha, you should chant any of the following Mantras :

Mantra For Rudraksha :

'Om Hrim Hum Namah.'

Panchakshari Mantra For Rudraksha :

'Om Hrim Vym Rum Lam.'

Alternate recommendation for Rudraksha :

Since your Moon's nakshatra-lord is Moon, 2-faced Rudraksha will also be suitable for you.

Some Tests for checking the genuineness of the Rudrakshas:

(a) Floatation test: When a genuine Rudraksha seed is gently placed on water, it will sink; but if a fake one is placed on water, it will always float.

(b) Copper Test: A genuine Rudraksha* is very hot, and has electromagnetic attraction with Copper. If beads are held with a string over a small round thin piece of Copper metal sheet (like a piece of Copper coin of old days), they tend to show a slow gradual rotational movement. If the rotation is observed to be in clockwise direction, then it is considered auspicious; otherwise, it is to be rejected – as it might be defective.

(* N.B.: Bhadraksha is similar to the Rudraksha - but it is of milder color and much less heat. It is suitable for old people and also for persons having weak constitution.)

(c) Milk test: If an authentic Rudraksha seed is kept in a cup of milk for a day, the milk will not get spoilt. But if it is a fake one, the milk is to become spoilt.

N.B.: Since a genuine Rudraksha is hot, if you are an aged person or physically have a weak constitution, then instead of Rudraksha, you should better wear a Bhadraksha.

Bhadraksha is like the Rudraksha, but of milder color and much less heat. It confers divine blessings of Gouri-Shankara. It is excellent for good health and smooth-running comfortable life with family and friends.

Mantra for Bhadraksha: 'Om Gouri-Shankaraya Namah.'

Subha Mantra for Bhadraksha:

'Sarva Mangala Mangalye Shive Sarvartha Sadhike,
Saranye Trymbake Gouri Narayani Namaustute.'
