Sudarshan Chakra indicates the cumulative influence of benefic and malefic planets as reckoned from : (i) the Ascendant, (ii) the Moon and (iii) the Sun at a glance. This also pinpoints the corresponding age-periods during which those influences will operate.

If the influences are of natural benefic planets (Jupiter, Venus, Mercury, Waxing Moon) only, then the whole year will be enjoyable and auspicious events will take place.

If the influences are of natural malefic planets (Mars, Saturn, Rahu, Ketu, Sun, Waning Moon) only, then the year might be problematic and inauspicious happenings are likely to take place.

Predictions from Jaimini Mandooka Dasha

Leo Dasha (From 13:06:2002 To 13:06:2010)

At present, you are passing through the Mandooka Dasha of the sign Leo. As there is one or more natural malefic planet(s) situated in the 4th from it, while no benefic planet is situated in this sign, it gives rise to forming of a 'Papa-Argala' for the sign.

On the whole, the period might be somewhat problematic for you, and the goings-on may not be very smooth. You may have a few unfavorable changes, and the scope of having any major or significant improvement during the period of this Dasha appears to be much less.

In your chart, for delineation of unfavorable results, the important signs are the 8th-sign from the Ascendant, the sign occupied by the 8th-lord, the sign occupied by the Hara-planet, the sign occupied by Rahu, the sign occupied by Ketu; these are signs Pisces, Gemini, Gemini, Taurus, and Scorpio respectively. During the periods when the Dasha/ Bhukti/ Antara of any of these signs operates, we are to check the disposition of those signs whether some untoward developments are likely to take place - which we shall do in following.

Taurus Bhukti (From 13:06:2002 To 13:06:2003)

At present, you are passing through the Mandooka Bhukti of the sign Taurus. As Saturn is situated in this sign, it exerts its characteristic unfavorable influence on the sign.

On the whole, the period might be somewhat problematic for you, and the goings-on may not be very smooth. Your earnings may not be sufficient for fulfilling your requirements, and you may suffer due to non-availability or blockage of funds. You may have a few unfavorable changes, and the scope of having any major or significant improvement during this Bhukti-period appears to be much less.

Aries Bhukti (From 13:06:2003 To 12:06:2004)

At present, you are passing through the Bhukti of sign Aries. In your horoscope, Ketu is situated in the 8th from the Bhukti-sign. The indications are unfavorable; if some strong modifying influences are not present in your chart, then you may face some untoward developments arising from unforeseen causes. You should remain very careful and cautious - as troubles might surface intermittently; you may feel quite perplexed or even confused during this period. If you are engaged in profession, then you may have to overcome many obstacles and hindrances; your earnings from profession might also shrink.

Scorpio Bhukti (From 12:06:2008 To 13:06:2009)

At present, you are passing through the Mandooka Bhukti of the sign Scorpio. As Ketu is situated in this sign, it exerts its characteristic unfavorable influence on the sign.

On the whole, the period might be somewhat problematic for you, and the goings-on may not be very smooth. Your earnings may not be sufficient for fulfilling your requirements, and you may suffer due to non-availability or blockage of funds. You may have a few unfavorable changes, and the scope of having any major or significant improvement during this Bhukti-period appears to be much less.

Sagittarius Dasha (From 13:06:2010 To 13:06:2019)

At present, you are passing through the Mandooka Dasha of the sign Sagittarius. The 12th-lord planet as reckoned from your Ascendant is Moon; it is situated in the Dasha-sign or jaspects it.

During the period of this Dasha, you may have a few journeys to distant places in connection with your profession. You are also likely to have change of employment or transfer a few times, and your residence might also be shifted. You are at present passing through the Dasha of a planet who is situated in Sign Cancer. For this sign, the Vishesha Badha Sign happens to be Sign Aquarius. As such, if modifying influences are not present in your chart, then during the Dasha-period of this planet, when the Rashi-Bhukti of Sign Aquarius operates, you may face some acute problems, and find serious difficulties to manage your own affairs. People and things around you may appear to have gone haywire, and you may tend to become perplexed. You should exercise extreme care and caution, be modest in your expectations, cut down all unnecessary and wasteful expenditures, and for remaining in safer side, you must not antagonize anybody. You must not take any risky step, and think twice before taking any major decision. Resorting to any shortcut method might land you in hot soup, and underhand action might bring in serious complications for you.

You are at present passing through the Bhukti of Sign Aquarius. Out of three positions from this sign - the 2nd, 4th and 11th - one place is occupied by at least one natural benefic planet. You will have good progress in your sphere of profession, your earnings will be fairly improved, and mental satisfaction will also be considerably increased.

Alternately, there could be some change in the ranks; the new boss assuming office may not favorably disposed to you - for no apparent reason.
